

Finding an Inspiring and Challenging Career in S.T.E.M.

A Professional Lecture with **Colleen Owen**

Coordinator of Professional Development for Educators

Wildlife Conservation Society

Bronx Zoo

A Wildlife Conservation Society Park

Colleen Owen is a Coordinator of Professional Development for Educators at the Wildlife Conservation Society. Colleen began her wildlife education career in 2007 at Green Chimneys Children's Services in Brewster, NY. She worked there as a Wildlife Rehabilitator and Educator for four years, helping students with emotional and behavioral issues of all ages to connect with nature by working with them to care for injured, orphaned, and sick wildlife. Colleen has a Master's of Science in Teaching with a concentration in Biology and Conservation Life Science through a Fordham University / Wildlife Conservation Society (WCS) partnership.
