EDU 200 Historical and Philosophical Foundations of American Education (3 credits)
This course presents the historical and philosophical foundations of American education and how they relate to contemporary issues facing teachers today. It also emphasizes theoretical and practical learning experiences in K-12 classrooms and includes twenty (20) hours of fieldwork.

3 hours lecture
Prerequisites: EN 101, PS 101

EDU 293 Including the Exceptional Child (3 credits)
This course surveys the field of special education: etiology, societal attitudes, federal and state laws including the I.D.E.A. and Section 504. It also covers the responsibility of the school and workplace to accommodate the exceptional student's learning modalities and the needs of an individual with a disability. The identification and special needs of gifted/talented students are also covered. Current theories, programs and services for educating exceptional children in the State of New Jersey and nationally will be discussed.

3 hours lecture
Prerequisites: EN 101, PS 101
