About the Exhibition

PORTRAIT OF PATERSON is a traveling exhibition of photographs by young photographers in the **Paterson Youth Photography Project**. More than forty color prints by photographers, ages 9 to 14, will be on view in the **Broadway & LRC Galleries** at Passaic County Community College from **June 24** through **August 30, 2013**, Broadway at Memorial Drive in downtown Paterson, New Jersey. Admission to the exhibit is free and open to the public. Summer hours are Monday through Friday, 9:00 a.m. to 9:00 p.m.

The mission of the Paterson Youth Photography Project (PYPP) is to enrich the lives of school age children in Paterson by introducing them to photography as a means for self-expression and an opportunity for personal growth. (continued)

Learning from adult mentors offers the children one-on-one attention and positive role models. As they develop artistic and technical skills, the children gain self-confidence, recognition for their talents and a sense of hope for the future.

Classes take place on Saturday mornings.

To volunteer as a photographer or to enroll a child in the PYPP program, contact founder and director Gwenn Levine at info@pypp.org .
