# Cybersecurity

Basics on System & Data  
Protection

with Senior Lead Engineer

**Anthony Gaeta**

from Booz | Allen | Hamilton

Cyber security experts protect computer networks and systems in the financial, communication, energy, and transportation industries as well as in the government, against cyber-attacks.

Booz Allen Hamilton has been a long-term consultant to global business, financial and governmental institutions providing technical, analytical, organizational and security solutions.

**Wednesday  
December 4, 2013  
5:30 - 7 p.m.  
Room A208B**

**Learn how to  
protect your  
information  
from cyber crime.**
