- All seats for the Nurse Entrance Test (NET) sessions are full for the remainder of the summer. No additional registrations can be taken.

- Effective with September 2010, the NET will no longer be used and it will be replaced with the Test of Essential Academic Skills (TEAS). The TEAS will test similar content to the NET including math, reading comprehension and verbal ability.

  1. Go to www.atitesting.com
  2. On the right hand side, on the lower portion of the home page, click on Register for TEAS
  3. This will take you to a registration page and the question “Would you like to register for the TEAS” (appears in drop down box). Click on NEXT
  4. The next page will ask you the state and city, select New Jersey and then Paterson and then NEXT
  5. This will take you to the page with the testing sessions listed. Select a date and click on Register and follow the directions on the pages that follow.

  7. Remember to bring your PCCC photo ID on the day of the test.
