This center, in the original Hamilton Club building, combines the familiar warmth and comfort of the club along with modern meeting facilities. The center has small conference rooms and a large seminar room that can accommodate groups of approximately 100. Looking for a state of the art teleconferencing facility? We have it! The teleconference room can link to others sites or connect you with satellite meetings and conferences. Ample parking now available! Teleconferencing capabilities are also available in Wayne.

The Center, located at 32 Church Street in Paterson, is available for meetings and conferences. Floor plan and pictures are available on the web. To inquire about rental contact the Continuing Education Office at 973-684-6152 or jvanhassel@pccc.edu
