

High School Completion Status

Provide one of the following documents to indicate the student's high school completion status when the student begins college in 2021-2022:

- A copy of the student's high school diploma.
- A copy of the "secondary school leaving certificate" or other similar document, for students who completed secondary education in a foreign country.
- A copy of the student's final official high school transcript that shows the date when the diploma was awarded (graduation date).
- A State certificate or transcript received by a student after the student passed a State authorized examination that the State recognizes as the equivalent of a high school diploma (GED test, HiSET, TASC, or other State-authorized examination).
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- A copy of that credential for a student who was homeschooled in a State where the law requires the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent).
- A secondary school completion credential, transcript, or the equivalent, (signed by the student's parent or guardian), that lists the secondary school courses successfully completed in a home schooling system and the State law does not require the student to obtain a secondary school completion credential for homeschooling.

Note: A student who is unable to obtain the documentation listed above must contact the Financial Aid Office at fa@pccc.edu or 973-684-8022
