President Rose, while waiting for Trustee Trivedi to arrive, began the presentation of the DRAFT of the PCCC Financial Aid Audit. *Trustee Trivedi arrived at 7:05 p.m.

PRESENTATION

DRAFT of PCCC Financial Audit

President Rose asked Mr. Sandor Levit, Controller, to introduce Mr. Mauricio Canto, Partner and Ms. Debbie Coiro, Audit Manager of the firm Donohue, Gironda, Doria & Tomkins LLC, to present the draft copies of the College's Financial Audit Report for Fiscal Year 2018.

Mr. Canto began his presentation by stating he and Ms. Coiro met with the Audit Committee of the Board prior to the meeting. Mr. Canto took this opportunity to compliment the College's financial team of Mr. Levit, Mr. Steven Hardy, Vice President of Finance and

Administrative Services, and their staff for their preparation of the financial statements and cooperation.

Mr. Canto presented highlights of the audit. He explained the changes to the fund balance of last year to this year. He complimented the College for dealing appropriately with ensuring that expenses were cut due to declining revenue. He spoke about post-employment benefits stating that while the State of New Jersey was responsible for the health benefits of retirees, a change in accounting standards require that the College present the benefits as a liability of the College. Mr. Canto did mention the corrections made to the Perkins grant, in which the College had to reimburse the state for mileage, which has since been corrected.

There was a brief question and answer session.

The Center for Violence Prevention

President Rose spoke briefly about the many grants that have been renewed noting that most grants start October first, but the College does not get notified until September 30th. He pointed out the Violence against Women grant was one of those grants that received renewal. He then introduced Dr. Sharon Goldstein, Dean of Student Affairs and Services.

Dean Goldstein began her presentation by speaking of a tragedy that occurred a few years ago where a young woman student was tragically killed, thus prompting a new way of thinking to the College. The College applied for a Violence against Woman grant in 2015 and was awarded \$299,644 for three years. In 2016, the Center for Violence Prevention was started at the College and notice was just received that another three year grant in the amount of \$299,895.00 has been awarded. She then provided details about what the Center for Violence Prevention provides, such as links with the College community for education, resources, services available, and support on issues of sexual assault, domestic violence, dating violence and stalking. Programs are developed that center on prevention, and highlighted the many monthly activities the College does to promote awareness.

Questions posed by several of the Trustees centered on what training the staff and students receive, as well as what divisions of the College were also involved in these activities. Dean Goldstein stated that staff training was through Title IX as an online module and each designated member must pass the training given. She also stated there were step-by-step guidelines for staff and students, and that the Center for Violence Prevention works together with Student Activities and the Public Safety Office. President Rose stated the College provides many resources to help and protect the students to make them feel safe while at the College.

CONSIDERATION OF MINUTES – September 11, 2018

Vice Chairwoman Tanis asked for a motion on Resolution #1 – Consideration of Minutes for September 11, 2018; moved by Trustee Trivedi; seconded by Trustee Esquiche. Upon roll call, Resolution #1 passed with all members present voting “yes.”

REPORTS

President:

President Rose introduced Professor Nina Alsbrook, Associate Professor in the English Department, and the newly elected Academic Council President. He noted that under her leadership, the Council would be taken to new heights.

President Rose then informed the Board of Trustees that he would be attending the ACCT Leadership Congress in New York City, and that the Board was being recognized by the National Phi Theta Kappa (PTK) organization at that event for the support it gives to PTK.

He then spoke about the College being selected as a pilot school for the *Community College Opportunity Grant* (CCOG) with a start date of January 2019. The requirements were explained, wherein a student's family income must be under \$45,000.00 a year, and that the student must take six credits to be eligible to participate in that program. President Rose also stated there were 500 to 600 students who receive partial financial aid, and those students would be eligible to get the rest paid through this program if they meet all the requirements of the program. The focus right now was to target students who have started college but could not continue due to finances, and to get those who have some college but never completed to come back to finish.

President Rose then discussed the awards of the following three grants the College recently received: the Title V grant in the amount of \$2.5 million dollars to help improve teacher education at the College and to get more students involved in education by working with William Paterson University and the Paterson Public Schools; the NASA grant, in the amount of \$300,000.00 to redevelop the Engineering department by introducing Avionics into the program, while noting ten students from the College would be going to the Goddard Space Center this summer; and the GEARUP grant that works with seventh grade students in Paterson and follows them for the next seven years, with the hope it achieves 100 percent of students going to college.

President Rose finished his report by giving highlights of the AM970 Radio broadcasting show and Salem Business Breakfast held again at the Wanaque Academic Center on October 11, 2018. He emphasized it was a great, fun event. He mentioned guest speaker Mr. Mitch Model, CEO of Model Sporting Goods as being one of the best presenters he has ever seen. President Rose stated it was the third time the College has hosted that program, and Mr. Joe Piscopo, along with Ms. Debbie DuHaime and the broadcast team, mentioned the College numerous times during the broadcast.
