A Fundraising Event to Support Student Scholarships

The global pandemic wreaked havoc on the educational and career aspirations of local students. For many students, their college plans were altered due to job loss, sickness and death of family members, food and housing insecurity, or stress and anxiety related to the pandemic.

Join us on October 6th as we raise funds to support these students in their educational endeavors. We honor Jane E. Allerman-Rey and Anthony J. De Nova III for their extraordinary commitment to our community and our county. We will also celebrate the success of our 500 Stories of Hope campaign.

With your support, the PCCC Foundation will help students get back on track towards earning postsecondary degrees.

Jane E. Allerman-Rey was named President and Chief Operating Officer of Spencer Saving Bank in 2021. Prior to this promotion, she served as the First Executive Vice President and Chief Operating Officer at Spencer. She has worked at Spencer Savings Bank for almost 30 years and has been an integral part of the growth and success of the company.

Anthony J. De Nova III is the Passaic County Administrator.
Often referred to as "the county's chief executive" he is responsible for day-to-day operations of Passaic County as well as overseeing all the County Departments and its employees. In his role as Administrator since 2003, Mr. De Nova has had a profound impact on Passaic County and its residents. He will retire in December 2022, leaving an extraordinary legacy of service and commitment.
