

PASSAIC COUNTY COMMUNITY COLLEGE
PURCHASE ORDER TERMS AND CONDITIONS

DEFINITIONS:

“College” shall mean Passaic County Community College.

“Supplier” or “Contractor” shall mean a seller from which the College orders supplies, services or other work via a written purchase order.

“Supplies” shall mean supplies, products, materials or other goods detailed in a purchase order.

“Services” shall mean design, engineering, installation, testing, evaluation, training, maintenance, repair, management, consulting and any other work necessary to fulfill a Supplier’s obligations under a purchase order.

“Purchase Order” shall mean a written order for Supplies or Services issued to a Supplier by the College.

“Subcontractor” shall mean Supplier’s suppliers or subcontractors of any tier contracting directly or indirectly with Supplier for the provision of any Supplies or Services under a purchase order.

1. Supplier Responsibilities

Supplier shall (a) provide to College the Supplies and/or Services ordered in accordance with the terms stipulated in a Purchase Order (“PO”); (b) keep College advised of the status of any Supplies and/or Services ordered with a PO; (c) permit duly authorized representatives of College to review and observe, from time to time upon reasonable notice, the manufacture, fabrication, assembly or delivery of the Supplies and Services ordered; (d) provide College with such reports as are appropriate to the nature of the Supplies and Services ordered and as may be reasonably requested by College from time to time; (e) keep, for orders requiring payment based on materials used and/or hours worked, the cost of materials used and/or expenses incurred, records of hours worked, and any other reasonable billable expenses incurred in filling the PO, which records College’s duly authorized representatives may examine from time to time upon reasonable notice; and (f) if requested by College, Supplier shall provide on-site training concerning any Supplies or Services ordered hereunder for College’s personnel at College’s facility at no additional cost.

2. Acknowledgment

The shipment of any Supplies or the furnishing of any Services (or delivery of any deliverable arising therefrom), shall constitute acceptance by Supplier of the PO and each and all of the terms and conditions stated herein. If Supplier objects to any of the terms and conditions hereof, it shall notify College in writing within ten days after issuance of the PO and may withhold acceptance of the PO until such objection is settled by written agreement.

3. Changes

College shall have the right to make changes in materials, packaging, time and place of delivery, method of transportation and any other specifications at any time and Supplier agrees to accept such changes. In the event such changes result in additional costs, College shall make an equitable adjustment in the purchase price provided such additional costs are itemized for College by Supplier within 30 days of the change.

College shall not make changes that would increase the cost above bid thresholds contained in any applicable law without first satisfying the conditions contained therein. Additionally, should any changes in cost raise the overall cost above the thresholds contained in any applicable law that would require additional documentation, registration or certifications from the Supplier, College shall so notify Supplier at the time the change is issued. Supplier agrees to comply with any such requirements within 10 days from the issuance of the change or, if they cannot comply, so notify the College in said time frame, in which case the change shall be cancelled.

4. Inspection and Acceptance

All Supplies and deliverables are subject to final review, inspection and acceptance by the College, notwithstanding any payment or initial inspection. Final inspection will be made by College within a reasonable time after receipt of Supplies or deliverables.

5. Rejections/Returns

College reserves the right to refuse any Supplies or Services (or associated deliverables), and to cancel all or any part of an applicable PO, if, in the College's sole opinion, the Supplies or Services (or associated deliverables) do not conform to applicable specifications, drawings, samples or descriptions. Acceptance of any part of a PO shall not bind the College to accept future shipments of non-conforming Supplies or Services, nor deprive it of the right to return non-conforming Supplies or Service deliverables already accepted. Supplies and Service deliverables, if rejected, may be returned to Supplier at Supplier's expense for transportation both ways, and no replacement or substitution shall be made unless so authorized by the College in writing.

6. Cancellation

The delivery of Supplies, Services and deliverables shall strictly comply with the delivery date or schedule, if any, specified by the College. If at any time it appears Supplier will not meet such delivery date or schedule, Supplier shall promptly notify College in writing of the reasons for, and the estimated duration of, the delay. The College may, in addition to its other rights and remedies, direct Supplier to ship delayed Supplies by expedited means so as to avoid or minimize delay to the maximum extent possible, the added cost to be borne by Supplier.

College reserves the right to terminate this contract in whole or part for its convenience. In such event, Supplier shall immediately stop, and instruct its Subcontractors to stop, all work and observe any instructions from College as to work in process. Supplier shall be paid an equitable adjustment for work already performed equal to the amount of Supplier's actual cost incurred in contemplation of the performance of the portion of the contract terminated plus 5% of such costs, provided that such adjustment shall in no case exceed the total amount of the contract.

College may also terminate this contract for cause in the event of a default by Supplier. In such event, College shall not be liable to Supplier for any amounts, and Supplier shall be liable for, and shall hold College harmless from, any damages occasioned by the Supplier's breach or default. If it should be determined that College has improperly terminated this contract for default, such termination shall be deemed to be for College's convenience.

Time is of the essence for this order. If delivery of the Supplies or the rendering of Services is not completed by the time promised, College may, without liability and in addition to its other rights and remedies, terminate this order as to Supplies not yet shipped or Services not yet rendered.

7. Invoices and Payment Terms

Unless otherwise specified by the College, a detailed invoice shall be issued for each PO after the Supplies are shipped or Services are provided. Applicable taxes and other charges, such as shipping costs, shall be stated separately on seller's invoice. No payment will be made prior to receipt of Supplies, Services (or associated deliverables) and a valid invoice.

Unless otherwise agreed to by the College, payment terms shall be Net 30 days from the receipt of a valid invoice. Payment due dates, including discount periods, will be computed from date of invoice receipt to the date College's check is mailed (or payment is otherwise transmitted by College). Any discount taken by College will be taken on full amount of invoice. Title shall pass to the College at the time of payment.

College may withhold payment of any amounts to be paid to Supplier if such payments are disputed in good faith by College. If College is owed any money from Supplier, College at any time may set-off such amount owed against any amount due Supplier under this order.

8. Representations and Warranties

In accepting this PO, Supplier unconditionally represents and warrants, any other representation or agreement to the contrary notwithstanding, that the Supplies and Services supplied pursuant to this PO are of merchantable quality, conform to the specifications as stated on the PO and as otherwise provided by College, shall be free from material defect for a minimum of one year from the date of acceptance by the College, and are suitable for College's intended uses and purposes in the ordinary course of its business.

If this PO is for Services then by accepting this PO, Supplier also unconditionally represents and warrants, any other representation or agreement to the contrary notwithstanding that: (a) its performance of the Services and the deliverables arising therefrom, or any portion or function thereof, or the use of the deliverables or any portion thereof, will not violate or infringe any third-party patent, trademark, copyright, trade secret or similar rights; (b) the Services will be provided by qualified personnel reasonably skilled and trained in the performance of the Services and in a workmanlike and professional manner in accordance with general industry standards; (c) it is currently under no obligation to any third party, nor will it enter into any obligation to a third party, that could interfere with its rendering to the College the Services or deliverables; (d) any documentation provided to College shall meet reasonable standards of clarity and detail; and (e) all deliverables will be warranted to perform according to their specifications.

All warranties herein stated shall run to College, its employees or students, or any other user of the Supplies, Service deliverables, or products into which such Supplies or deliverables may be incorporated.

9. Indemnification

Supplier agrees to indemnify and hold harmless College, its affiliates (and its and their respective directors, employees, students and agents) from any losses, liabilities, damages and/or expenses (including without limitation reasonable counsel fees) arising, directly or indirectly, from: (a) Supplier's breach of any provision hereof, including without limitation the confidentiality obligations and the representations and warranties made herein; (b) any negligent or wrongful act or omission of Supplier, its employees, consultants or subcontractors; (c) Supplier's failure to comply with applicable laws and regulations in filling the PO; (d) any claim charging that College's purchase of Supplies, Services or deliverables under the PO constitutes misappropriation of trade secrets, breach of a confidential relationship, or trademark, trade secret or copyright infringement; and/or (e) any claim charging that any Supplies or deliverables acquired under the PO, or the use of such Supplies or deliverables, infringe a third-party's patent anywhere in the world. If the Supplies or deliverables, or the use of such Supplies or deliverables, are held to constitute an infringement and their sale or use is enjoined, Supplier shall, at its expense and option, either procure for College and its affiliates the right to continue to use such Supplies or deliverables, or replace same with an equivalent non-infringing product, or modify same so it becomes an equivalent non-infringing product. This Section will not be construed to limit or exclude any other claims or remedies that College or its affiliates (and its and their respective directors, employees, students and agents) may assert.

10. Limitation of Liability

UNDER NO CIRCUMSTANCES WILL COLLEGE OR ITS AFFILIATES BE LIABLE FOR CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE, OR INCIDENTAL DAMAGES OR LOST PROFITS, WHETHER FORESEEABLE OR UNFORESEEABLE, BASED ON CLAIMS OF SUPPLIER OR ANY OTHER PARTY ARISING OUT OF BREACH OR FAILURE OF EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, MISREPRESENTATION, NEGLIGENCE, STRICT LIABILITY IN TORT, FAILURE OF ANY REMEDY TO ACHIEVE ITS ESSENTIAL PURPOSE, OR OTHERWISE. THIS SECTION WILL NOT APPLY ONLY WHEN AND TO THE EXTENT THAT APPLICABLE LAW SPECIFICALLY REQUIRES LIABILITY DESPITE THE FOREGOING DISCLAIMER, EXCLUSION AND LIMITATION.

11. Insurance

Supplier shall, at its own expense, maintain with a reputable insurer (and provide written certificate(s) of insurance to College if and when requested) for a period of at least two years after the fulfillment of the PO, reasonable and customary insurance coverage, including, but not limited to, (a) worker's compensation statutory coverage as required by the laws of the applicable jurisdiction; (b) automobile insurance in the minimum amount of \$1 million; and (c) commercial general liability insurance, including coverage for product liability, in the minimum amount of \$1 million/\$2 million aggregate in respect of claims for any losses, costs and expenses arising out of or relating to Supplier furnishing the Supplies, deliverables and/or Services under the PO.

12. Copyrights; Rights to Inventions.

College will be the exclusive owner of all work product and deliverables created by Supplier in connection with or during the performance of Services provided pursuant to a PO, any works based on or derived from such deliverables ("Derivatives"), and any ideas, concepts, inventions or techniques that Supplier may conceive or first reduce to practice in connection with developing the deliverables ("Deliverable Concepts", the deliverables, Derivatives, and Deliverable Concepts are collectively referred to as "College

All copyrightable College Materials shall be prepared by Supplier as a "work made for hire" for College, and College shall be considered the author of the College Materials for purposes of copyright.

To the extent that the College does not acquire ownership of such copyrights as a work made for hire, and with respect to all other rights, Supplier hereby assigns, or agrees to assign upon creation, to College all right, title and interest in and to the College Materials and all Intellectual Property Rights therein. To the extent such assignment of rights and ownership is held to be invalid or any of the foregoing rights, including "moral rights" or rights of "*droit moral*" are held to be inalienable, Supplier agrees to waive and agrees not to exercise such rights, and if such waiver and agreement are deemed invalid, to grant to College and its designees the exclusive, transferable, perpetual, irrevocable, worldwide and royalty free right to make, use, market, modify, distribute, transmit, copy, sell, practice, and offer for sale and import the College Materials and any process, technology, software, article, equipment, system, unit, product or component part covered by the Deliverable Concepts or a claim of any patent in any part of the Deliverable Concepts.

13. Force Majeure and Disaster Recovery

Supplier and College, as the case may be, shall be excused for delays in performance or failure of performance to the extent arising from causes beyond such party's reasonable control, including without limitation strikes, wars, fires, floods, earthquakes, acts of terror, or other acts of God. In the event of any such event or condition, the party whose performance is excused hereunder shall notify the other promptly thereof and shall make diligent efforts to perform at its earliest opportunity. Supplier agrees that in any case where freight regulations covering Supplies transported by common carrier establish a maximum limit on the carrier's liability for loss or damage suffered in transit, Supplier will be liable to College for any loss or damage in excess of such maximum limit up to the full price of the Supplies.

15. Confidentiality; No Publicity.

Supplier shall keep in confidence and shall not, without securing the prior written consent of College, disclose to any third party information relating to: the existence of the relationship with College; College's purchasing systems or practices (including, without limitation, descriptions of purchased items, quantities purchased and prices paid); the nature of the Services performed and deliverables and Supplies delivered under the PO; and any proprietary or confidential data, designs, or other information supplied by, or on behalf of, College. Notwithstanding the foregoing, Supplier may disclose such confidential information to Supplier's Subcontractors having a need to know such information in order to provide the ordered Supplies or Services.

CONSTRUCTION CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, up-grading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.
