## **PCCC FOUNDATION MISSION STATEMENT**

As affordable as a Passaic County Community College education is, many students cannot manage the cost of tuition, fees and related educational expenses without some outside assistance. The Foundation provides the means for these students to have access to higher education. Established in 1976, the PCCC Foundation's primary purpose is to raise money for student scholarships.

### **St. Mary's General Hospital**

St. Mary's General Hospital, of Passaic, is a nationally recognized, award-winning healthcare provider committed to offering comprehensive, quality healthcare in a convenient, compassionate, and cost-effective manner. A member of Prime Healthcare, lauded as Top 10 Health System by IBM Watson Health, St. Mary's has earned the nation's top distinction for patient safety with a Leapfrog Hospital Safety Grade of A. For over 125 years, St. Mary's commitment to the community includes not only providing advanced healthcare technology, but also free healthcare education, wellness programs, and screenings.
