Celebrating 50 Years

For the past 50 years, the PCCC Foundation has been singularly focused on providing PCCC students with the financial resources needed to achieve their dream of a college education. In many instances, PCCC Foundation scholarships have changed the trajectory of our students' lives. These scholarships have inspired students to fulfill their vast potential. We owe everything to generous donors, friends, and colleagues, who have given selflessly time and time again to make a difference in the lives of our students. As we celebrate 50 years of service, we applaud you and celebrate you for opening the doors of opportunity for PCCC students.
